

THE ELECTIONS.

The latest returns from Ohio and Iowa indicate very strongly that the democrats have made some important gains. Iowa, of course, has gone republican, but by a very much reduced majority, and a loss of a large number of republican candidates for the legislature.

In Ohio, Judge Hoadly is considered elected by a majority varying from 5,000 to 8,000. This is a surprise, as the bitter factions in the democratic party were thought sufficient to defeat Hoadly. But the republicans were divided on the temperance question, very many of them voting for the prohibition ticket. Later dispatches than these given in our telegraphic columns to-day may possibly be more favorable for the republicans, but this is doubtful.

The Rev. T. DeWitt Tullmore, will lecture in Madison, on the 13th of December.

The produce exchange, of New York, have effected a loan of \$125,000 for one year for the amazingly low interest of 2-7-10 per cent. This is the lowest interest ever received for money in New York. It shows that money is seeking borrowers at almost any price.

The Gazette is in receipt of a circular from the Atchison, Topeka & Santa Fe railway company, announcing that Mr. A. A. Robinson, has been appointed general superintendent of that road, and at the same time will continue to perform the duties of chief engineer. The good fortune of this Rock county boy is a matter which will please his many friends in this state. He began his services for the Atchison, Topeka & Santa Fe in a very humble position, but by dint of perseverance and by a display of practical and thorough ability in the engineer's department, he soon rose to a proud position in that great railway corporation.

Henry F. Wright, the defaulting assistant postmaster of Racine, has been sentenced to the penitentiary at Chester, Illinois, for the term of five years and one day, and to pay a fine of \$5,000, the amount of his deficit. An effort was made by relatives, who are in good circumstances, to have the confinement merely nominal by paying the amount of the deficit, but Judge Blodgett did not propose to compromise a crime, and decided that Wright should suffer both by fine and imprisonment. Mr. Wright started out in life with the promise of a bright future, but fast living and a desire to speculate without sufficient capital of his own, made him a bankrupt and a criminal.

The Rev. Mr. Houghton was a little too fresh. When he stood in his pulpit at New Haven two Sundays in succession and denounced William Lewis as the murderer of Rose Ambler, he courted a little notoriety. He got the notoriety in a small degree, but has lost his pulpit, and his congregation have concluded that they don't want him any longer at \$1,800 a year. Very often the men who make a sudden start for fame, get left, and this is Mr. Houghton's case. He can't dance in the pulpit as Mr. Talmage can, nor with success can he ape the eccentricities of the genius of the Brooklyn tabernacle. It requires years to do this, and Mr. Houghton did not seem to hitch on very well.

Archbishop-elect Elder, of Cincinnati, advises his Catholic friends, to stamp the Cincinnati Enquirer out of existence. He preached a sermon in the Cathedral on Sunday, and in his sermon said: "The amount of injury that paper is doing right in our midst is incalculable. I beg of you, fathers and mothers who have the welfare of your children at heart, do not let their young minds be polluted by allowing them to read the vile sheet, and you, yourselves, should not allow it in your houses. By reading that paper or allowing those whom Almighty God has placed you in charge of in this world, you commit a previous sin against your Divine Lord. During the month special services will be held every Tuesday and Friday evenings in the Cathedral, and I hope and trust you will attend them and earnestly pray that this spirit of evil will be stamped out of existence."

The United States government has quite an important matter on its hands to settle. The semi-annual conference of the Mormon church recently met at Salt Lake, and the tone of the speeches made in the conference were so defiant as they were in the days when Brigham Young was reigning in all his glory. The key-note of the meeting was the determination to stand by polygamy, and to resist by all possible means the Edmunds law, the constitutionality of which is to be tested. One of the Apostles took care to express his contempt for Mormons who had put away their surplus wives after the passage of the Edmunds law. With this spirit prevailing among the Mormons at the present day, the government has something to do. If the crime of polygamy is to be committed with impunity in Utah, and the leaders of the Mormon make mockery of the Edmunds law, it is high time that the government should make haste in deciding the question as to which is the stronger—the United States or the Mormon church.

HAWKEYE AND BUCKEYE.

Result of the Fall Elections in Iowa and Ohio—The Returns Very Meager.

Governor Sherman Re-elected in the Former State—The Legislature Republican—The Sixth District.

The Republicans in Ohio Concede a Clean Sweep for the Democratic State Ticket.

Still it May Take the Official Vote to Determine the Question—Defeat of the Prohibitionists Almost Certain.

The Result.

A GENERAL VIEW.
CHICAGO, Oct. 10.—At this hour—three o'clock a. m.—the indications are that Iowa has been carried by the Republicans by a majority of 25,000 to 30,000. The democratic gains in the river counties were not as heavy as was expected. In Scott County, for example, the vote was relatively the same as that for Secretary of State last year. In Dubuque County the democratic majority was less. The Republicans, on the other hand, made some losses in the interior counties where gains were expected.

The vote for the Republican Supreme Court Judge nominated to replace Judge Day, on account of the supposed hostility of the latter to the Prohibition Amendment, was not much smaller than that for Governor Sherman.

In the Sixth Congressional District the contest to fill the vacancy caused by the death of M. E. Cotts (Rep.) is very close, with the indications slightly in favor of the republican candidate, E. H. Stiles. The returns from Ohio are conflicting. Early in the evening the Republicans of Hamilton County were claiming everything, having succeeded in reducing the democratic majority in that county to 3,500. But at two p. m. the Republican managers in Columbus, where the sources of information are better, were disposed to admit that the Democrats and their prohibition allies had made a clean sweep, electing Hoadly and a Democratic Legislature and carrying the Prohibition Amendment. This last could not have been effected by a considerable secession of prohibitionists from the republican party and the voting of their amendment ticket in good faith by large numbers of both parties. At the present writing the result is in doubt.

Ohio.

THE STATE IN POWER.
CINCINNATI, Oct. 10, 1 a. m.—S. S. Cox left the News-Journal editorial rooms at midnight, saying that there was a great doubt about the election. Alexander McClure, of the Philadelphia Times, also says the State is in great doubt, but the Democrats figure heavily in the local mid-night returns. The Republicans are doing the same for Porter. McClure says the Republicans seem to have a better claim for victory. There are big republican gains in Cincinnati.

RETURNING RE-EXAMINERS.

COLUMBUS, O., Oct. 9.—The returns will be compared with last year's vote, when Newman Democrat, had a majority in the State of 12,000. There are 1,819 wards and precincts in the State. Five hundred and thirteen wards and precincts show a net republican gain of 3,507 in a total vote of 128,869. First Amendment, 29,841; Second Amendment, 70,102. In the above there are 31 precincts of Cincinnati which gave a net republican gain of 1,935. There are 104 precincts in Hamilton County. Three wards of Cleveland included in the above give a republican gain of 335. Reports have been received from only six precincts of Cuyahoga County, showing a net republican gain of 23.

2 a. m.—The returns indicate the election of the Democratic State ticket by four or five thousand majority, and of the Legislature being Democratic in both branches, with the vote on the Prohibition Amendment close. Contrary to all expectations, the cities show republican gains and the Democrats hold their own in the rural districts, owing to the Republicans in the country siding their tickets for the amendment. While the vote will be close, the Democrats have everything, and the Republicans say that in submitting the Prohibition Amendment they aimed the temperance element whose ingratitude toward them.

Chairman Barger, of the Democratic Committee, at this hour claims that the Democrats have carried the Legislature, and that it will have a majority of 11 on joint ballot, and that Thompson, Kinross, Kettelle in Perry and Welby in Hocking, close counties, are elected. He also claims the election of three Democrats in Hamilton County and one in Cuyahoga County.

General B. R. Coward, managing editor of the Ohio State Journal, concedes the State to the Democrats by 12,000, as well as the Legislature.

Returns from 571 wards and precincts give a net republican gain of 3,507 in a total vote of 128,869. Second Amendment, 70,102. The Second Amendment is defeated. No returns for this amendment have been received from Hamilton County or Cleveland.

TORONTO, Oct. 10.—Owing to the great amount of scratching, returns from the city and county up to one a. m. are meager, but show that the Democrats probably elect their entire county ticket by a fair majority. The Democrats here claim the State by 30,000 majority on Governor and nearly the same figures on the rest of the State ticket. The Republicans very generally concede the loss of the State, but claim large gains in certain localities. The vote for the Second Amendment, though heavy, is far short of the anticipations of its friends.

CINCINNATI, Oct. 10.—At 12:30 a. m. seventeen precincts of the 103 in this county give a republican gain of 1,577. This is on Governor. No compilation has yet been made of the county ticket or the Legislature. The ratio would give the county to Hoadly by a small majority, but with the votes cast for the Reform Democratic ticket would leave the result as to county and Legislature in doubt, with the chances in favor of the Republicans. No report of the actual strength of the Reform Democratic ticket has yet been made. The Second Amendment gets a large vote, but the majority against it will be sufficient probably to overcome the majority for it in other parts of the State.

CLEVELAND, Oct. 10.—At one o'clock no ward had been fully counted and it is not likely the result of the city can be ascertained until after morning, but enough is known to show the Democrats lost and gained where they least expected. Probably the Democrats elect most or perhaps all the county candidates, but part of the Leg-

islative ticket is in doubt, and the Democrats concede a loss in the county of 1,200 over last fall's vote.

SANDUSKY, Oct. 10.—2 a. m.—This city has gone Democratic by 1,225, a democratic gain of 335. The Democratic majority in city and county is 1,300. Henry Paden, Republican, for State Senator, is defeated by 2,000 in the district. This county gives over 2,000 majority against the Prohibition Amendment in the Constitution.

NEWARK, Oct. 10.—Returns come in slowly. The Republicans elected their entire county ticket by 1,100. The Senatorial and Judicial tickets are still in doubt. The chances favor the Republicans. The First and Second Amendments will be defeated. The Constitutional Judicial Amendment was voted upon by the cities with little opposition, and will be carried by an immense majority.

FOREMONT, Oct. 10.—The Democrats have elected their entire Legislative, Judicial and county tickets, and Sandusky County shows a net Democratic gain over 400.

COVINGTON, Oct. 10.—Four townships give a net republican gain of 26. The Democratic ticket in this county is elected by a slightly reduced majority, except Walker for Treasurer, who is probably defeated. The Second Amendment is probably carried.

SPRINGFIELD, Oct. 10.—Fourteen out of twenty-four precincts in this county give a Republican majority of 703. At this rate the county will give 1,800 to 1,400 majority—a republican gain of 600 or 600.

NEVADA, Oct. 10.—The net Democratic gain in this county is 20. The Second Amendment has 1,800 majority.

DAYTON, Oct. 10.—At 1 a. m. the returns from twelve voting precincts in the city give a net Democratic gain of 94. There is no hope for any Republican candidate on the county ticket, and only six more precincts are to be heard from.

AKRON, Oct. 10.—The Republican majority is 448, and the Republican gain 123. Kohler, Representative, is undoubtedly elected.

KESTON, Oct. 10.—The Republicans have elected their entire ticket.

Iowa.

Governor Sherman undoubtedly re-elected.

DES MOINES, Oct. 10.—The Republican majority over the Democrats is 30,000 or more. The Greenback vote has been light. The Legislature is Republican and Prohibition.

J. A. HARVEY, Chairman Prohibition State Committee, Des Moines, Oct. 10.—Returns up to midnight have come in slowly. Comparisons with the vote on Secretary of State last year show that the Democrats have made a relative gain, but while this is true there is a reserve vote in Iowa that is not often out except in Presidential years. The returns lead to the belief that the vote has been heavier than that cast in 1880.

The precincts reporting show an increased vote for Governor Sherman. At the Democratic headquarters Sherman's majority is estimated at from ten thousand to fifteen thousand, while Republican estimates vary from twenty-five thousand to forty thousand.

There are not enough returns from the Sixth District on which to form a safe conclusion as to the contest there, but Jasper County, Cook's home, has not given him any gain. Malcolm, Potosi, County, however, gives him every opportunity. Ex-Governor Carpenter is elected to the House from Webster County, and the bolt in Delaware County has done little harm to ex-Congressman Downum, who is elected Senator by at least 500 majority. Henshaw, Republican candidate for Senator in Montgomery County, is probably defeated. Later information shows Republican gains, indicating a probable republican plurality of 25,000. A Democratic headquarters the election of Governor Sherman is conceded by 10,000 plurality. Weaver's vote proves to be very small.

Dubuque, Oct. 10.—Dubuque City gives 1,700 majority for Kinne, and the county will give him 3,500 majority. All the advantages received here up to twelve o'clock show large Democratic gains. Allamakee County gives 350 majority for Kinne. Winnebago, which gave a net republican gain of 1,935, is claimed by the Democrats. Headquarters concede the election of Wood, Democrat, to the Legislature in Floyd County; of Gilliland, Democrat, in Chickasaw; of Baker, Democrat, in Winnebago; and of Chamberlin, Democrat, in Buchanan. Millington has 400 majority over Kinne in this county, which will be likely to insure his election. Jones is 550 Republican.

Reliable news comes from Marion County that O. B. Ayers and B. E. Kenless, Republican candidates for the Legislature, are defeated by the fusion movement, and the county will give a net republican gain of 1,935. While this vote shows a large gain for Kinne, and probably elects Dabney, Fusion, to the Senate.

COCYON, BLUFFS, Oct. 10.—The vote on Governor has been counted in the Second Ward of this city, giving Sherman a majority of 180. This is a heavy gain. Last year Kinne carried this city. Townships each give Kinne 75 majority. Knox Township gives Sherman 40 majority. Minden and Keola are Democratic gains. Carson Township gives Sherman about 100 majority—a slight gain.

No intelligence of a satisfactory character comes from other counties of this Congressional District. The Democrats claim the Senator and two Representatives, and the Republicans are equally confident. Two years ago the county elected one Republican and one Democratic Representative, the latter by a small majority, and there is every indication now that the contest will be close. In Glenwood Township, Mills County, Kinne has a majority of 11 over Sherman, and Hoadly, Democrat, 43 majority over Henshaw, Republican, for Senator. Those are considerable gains, and indicate the election of Henshaw in the district composed of Montgomery and Mills.

CORVY, Oct. 10.—The election of the Democratic County ticket is conceded, with the exception of the Treasurer and one of the Representatives, by majorities ranging from fifty to two hundred. Ballingall, for Representative, will have a majority as much, if not more, than the latter figures. The Republican State ticket will have a small majority. Stiles, Republican, for Congress, runs ahead of his ticket nearly four hundred votes in the city. His majority in the county will be about four hundred over Cook, Fusion.

McGREGOR, Oct. 10.—In Clayton County L. E. Kinne, Democratic candidate for Governor, receives 200 majority. Walter L. Hayes, Democratic candidate for Supreme Judge, will receive 500 in Clayton County. In Clayton County, thirty-six Senatorial District, the result is very uncertain. Both sides claim the victory.

DECATUR, Oct. 10.—All but two precincts in this city give Kinne 1,475 and Sherman 1,050. The two remaining precincts do not cast. In the aggregate Kinne has over 100 votes. Total vote in the city is 3,425. The Democrats have carried the county by a heavy margin, but less than last year.

CEDAR RAPIDS, Ia., Oct. 10.—The returns are slow coming in. The Republicans claim the county for Sherman by 200, a large Democratic gain. The Senatorial contest, which absorbed all the interest in this city and township, gives Henderson, Democrat, 415 majority, a Democratic gain of over 500, and assures Henderson a majority in the county of not less than 100.

Members of the Legislature are elected by joint parties.

JOHN COY, Oct. 10.—Eleven precincts of Johnson County give Kinne 1,054; Sherman, 1,010. There will be a Democratic majority in the county of about 700, except Hayes, who will run 100 ahead.

MARSHALLTOWN, Oct. 10.—There has been a large Democratic gain here, and the result will be very close in the town, but the country vote will probably save the greater part of the Republican ticket. In the county the Democrats have hopes of electing the State officers.

CLARINDA, Oct. 10.—The vote in Nodaway Township, Pottawattamie County, gives Sherman 351, Kinne, 327; Weaver, 89; Reed, 83; Hayes, 27; Church, 89; Representatives: Butler, Republican, 556; Loudon, Democrat, 252; Elise, Greenback, 59.

WATERLOO, Oct. 10.—Returns are coming in very slowly, owing to the great number of scratched tickets. Returns from the cities of Cedar Falls, East Waterloo and La Farge, giving two-thirds of the vote of the county, give a Republican majority on Governor of 635. This is a Republican gain of 65 over the vote on Secretary of State last year. It indicates a Republican majority on Governor of 700 in this county.

THE SIXTH DISTRICT.

OSKATOOHA, Oct. 10.—In the special election in the Sixth District to fill a vacancy, the indications are that J. C. Cook, Fusion candidate, has been elected by a small majority.

OTTUMWA, Oct. 10.—Hon. E. H. Stiles, Republican candidate for Congress in this, the Sixth District, has carried the city of Ottumwa by 325 majority, and will have from 400 to 500 majority in this (Wapello) County, and from the best estimates that can be made at this hour, will probably have a majority in the district.

GRINNELL, Oct. 10.—Returns from half the townships in Poweshiek County indicate the election of Stiles, Republican candidate for Congressman, by at least 300 majority.

ALBION, Oct. 10.—For member of Congress, Sixth District, E. H. Stiles runs ahead of the Republican ticket, and has a majority in Monroe County over J. C. Cook, the Fusion candidate, estimated at 100.

NEWTON, Oct. 10.—It is estimated that on the Congressional ticket the Republican candidate for Congress from the Sixth District, is elected by a small majority.

Other Political Matters.

MUNICIPAL ELECTIONS.
INDIANAPOLIS, Ind., Oct. 10.—The municipal election passed off very quietly, but the vote was unusually heavy, being nearly 17,000. The entire Republican city ticket is elected, but by very small majorities, ranging from 250 to 500. Mayor John L. McMeas, candidate for Mayor, having the lowest vote. Each party has elected twelve Councilmen, and there is a tie in the Fourth Ward, while the Republicans have a majority in the Board of Aldermen of three, giving them the same majority on joint ballot. It was the closest election this city has had for years.

NEWARK, N. J., Oct. 10.—In the city election the Democrats elect Joseph E. James Mayor by 635 majority, over Henry Laing, Republican. The Common Council stands 17 Democrats, 13 Republicans—a Democratic gain of two Aldermen. Alderman holding over: 11 Democrats and 4 Republicans. The Board of Education stands: Democrats, 10; Republicans, 15. The Democrats gain 3.

PHOENIX, Ill., Oct. 10.—At the special election Nehaus, Democrat, was elected State's Attorney of Peoria County by about seven hundred majority.

NEBASKA DEMOCRATS.
HASTINGS, Neb., Oct. 10.—The Fifth Judicial Democratic Convention met in this city and put in the field the same ticket nominated last week by the Anti-Monopolists, R. A. Batty being nominated for District Judge and J. H. Ellen for District Attorney.

SPINNERS IN POLITICS.
FALL RIVER, Oct. 10.—The Spinners' Union has appointed committees to wait upon the gubernatorial candidates and candidates for the Legislature from this district to ascertain what action they will take in regard to the amendment of the Trustee Law and the Ten-hour law during the coming session of the Legislature.

OHIO.

Special to the Gazette.

CINCINNATI, Oct. 10.—At the Commercial Gazette, at ten o'clock, Hoadly's election is conceded by five to eight thousand majority. Full returns may change the figures but the outlook is not favorable. The wool growers and the wine growers voted strong against the republicans. The vote on second amendment is very large but the indications are it will be defeated by at least the Cincinnati vote. Fifty three precincts in Hamilton county give Hoadly a majority of 1,213, although the net republican gain is 4,448. This ratio will give Hoadly the county by twenty five hundred. The legislative ticket is terribly mixed, and everybody is at sea.

IOWA.

Special to the Gazette.

DES MOINES, Iowa, Oct. 10.—Returns are terribly slow and mixed. The republicans carried the state by ten thousand to fifteen against forty-five thousand last year. Partial returns elect Lock, democrat for congress, but this is not assured. In Davenport the democrats swept the entire state and county ticket. In counties surrounding Dubuque, the democrats gained six members of the legislature.
